

Information about the Business Transfer Pathway:

The list below documents courses approved for transfer between Northshore Technical Community College and Southeastern Louisiana University through the State of Louisiana Board of Regents Master Course Articulation Matrix (<http://www.regents.la.gov/page/master-course-articulation-matrix>). Articulation agreements are subject to change.

Northshore Technical Community College students who have completed the Business Pathway will be admitted as sophomores into Southeastern Louisiana University provided they meet Southeastern’s transfer admissions requirements.

The total number of credit hours required to complete a Baccalaureate degree in a business field at SLU is 120 credit hours. An NTCC student who successfully transfers to SLU will earn a Baccalaureate degree in Accounting, Business Administration, Finance, Management, Marketing, or Supply Chain Management from the College of Business upon successfully completing the additional required course work at SLU and meeting all college and University degree requirements.
