

# “Leave” A Legacy

At

## Northshore Technical Community College

### Become a part of history at NTCC

by purchasing a leaf to celebrate your graduation or another meaningful milestone. An engraved leaf also makes a wonderful gift from parents, grandparents, and proud loved ones.

Dedicate a leaf to commemorate:

- Your upcoming graduation at NTCC
- A mentor
- An influential faculty member at NTCC
- A loved one

Your personalized leaf will be placed inside NTCC's new Center of Innovation on the Lacombe STEM Campus, a perfect location for alumni and supporters to showcase their connection to NTCC. The new STEM Center will pave the way for thousands of students to embark on their educational journeys that will one day stand with you as an NTCC Alumni!

Your Legacy Leaf is 100% tax deductible, and proceeds will support student scholarships at NTCC.

Graduates are being offered a special discounted rate of \$125 for a Legacy Leaf (regular price: \$200).

For as little as \$200, you can get a leaf engraved with your name or message and placed in the newly constructed STEM Center of NTCC's main campus in Lacombe, where it will permanently reside for all time.

**To purchase a legacy leaf, complete this form and turn it into Human Resources.**
