Grade Policy

Purpose

Northshore Technical Community College's Grade Policy is designed to set the standard for designating letter grades for academic performance. The quality of performance in any academic course is reported by a letter grade, the assignment of which is the responsibility of the instructor.

Scope

In order to receive any letter grade, a student must have attended a minimum of one class meeting or the equivalent in the case of an online learning course. In an online learning course, initial student attendance is determined by course participation as measured by accessing and using course materials, completion of a class assignment, participation in a course discussion, or other evidence of participation. The College will administratively drop students who enroll in a course but do not attend a minimum of one class meeting or the online learning equivalent by the census date

Process

Quality points earned for each course are determined by multiplying the number of quality points for each grade by the number of credit hours the course carries. A student's grade point average is computed by adding the total quality points for all courses for which quality point values may be computed, then dividing by the corresponding number of credit hours attempted during the same period. The grade of pass "P" will be awarded for nontraditional credit and non-credit courses only. Courses so credited will not be used in computing the grade point average.

A grade of incomplete ("I") indicates that satisfactory work has been done in a course, but the student has been prevented from completing the final examination or other concluding work because of some verifiable reason. The grade of "I" may be given as a final grade only. An "I" grade will not be given unless the student contacts his or her instructor and a contract for completion of work is approved. The "I" grade must be removed by the time final grades are due in the Office of the Registrar the following semester (unless the "I" contract specifies an earlier deadline); otherwise, it will be automatically converted to a permanent "F". The grade of "I" is not used in calculating grade point average. If it is not removed in the allotted time, however, it will be calculated as an "F" upon conversion. Re-enrolling in a class will not prevent an "I" from being changed to an "F". If the course is repeated, the grade of "F" may

Policy & Procedure No. AA-016 Northshore Technical Community College

be removed from the GPA. A grade in a repeated course replaces the previous grade if the grade is higher than the grade attained in the previous course attempt.

A student who withdraws from a course after the official fourteenth day of class and prior to the deadline designated on the academic calendar for dropping with a “W” will receive a “W” for the course. After this date, a student may not withdraw. In extraordinary cases, the campus executive dean may authorize resignation from the institution or the dropping of a course with a “W” after the deadline. Extraordinary cases do not include dissatisfaction with an anticipated grade or the decision to change a major.

Students seeking to appeal an assigned grade in a course must submit an Academic Appeals Form and follow the guidelines stated in the Academic Appeals Policy.

Honors

At the end of each fall and spring semester a Dean’s List will be produced naming those students who, during the respective semester, earned a 3.00 GPA or higher for a load of at least 12 credits hours at the time that the College calculates GPA's for that semester. Students will be placed on the Chancellor’s List for achieving a 4.00 GPA or higher of at least 12 credit hours at the time that the College calculates GPA’s for that semester.

Academic Probation and Suspension

Once a student has attempted 15 credit hours of courses (including those attempted at other institutions), a student’s academic performance is evaluated at the end of each semester. Students who do not maintain a minimum 2.0 grade point average for any semester will be placed on academic probation. The student will be allowed to register for the next semester. If a student on academic probation receives a grade point average below 2.0 for any semester the student will be suspended for the following semester. Upon returning to College, the student will remain on academic probation until the semester or cumulative grade point average (as needed) is 2.0 or above.

Grade Table

Grade	Points
A	4.0
B	3.0
C	2.0
D	1.0
F	Failure

Policy & Procedure No. AA-016
Northshore Technical Community College

Other Grades	Definition
W	Official withdraw from a course and is not calculated into a student's cumulative grade point average.
P	Awarded as credit for successfully challenging a course, military course credit, or non-traditional credit and is not calculated into a student's cumulative grade point average.
S	Satisfactory grade and is not calculated into a student's cumulative grade point average.
U	Unsatisfactory grade and is not calculated into a student's cumulative grade point average.
I	Assigned for incomplete coursework and is only assigned for unavoidable and extenuating circumstances. This grade is not calculated into a student's cumulative grade point average, but it is counted in hours attempted.
AU	Assigned for a course not taken for credit and is not calculated into a student's cumulative grade point average.
R	Assigned in addition to a grade for a course that a student repeats.
T	Assigned in addition to a grade for a course that is transferred from another institution.
