PURPOSE

Northshore Technical College (NTC) will not tolerate threats or acts of violence, including acts of domestic violence, in the workplace. All firearms and dangerous weapons are banned from the workplace. Retaliation against any employee who reports a threat or act of violence or assists NTC in the investigation of a complaint is strictly prohibited. No employee shall intentionally bring false charges against another person or employee in the workplace.

SCOPE AND APPLICABILITY

This policy applies to all NTC employees, and to all individuals who, while not NTC employees, perform work at NTC for its benefit.

Employees are the State's most valuable resource; and employee safety and security are essential to carrying out their responsibilities. Every employee has a reasonable expectation to perform his/her assigned duties in an atmosphere free from threats and acts of violence. Recognizing the increasing incidents of violence in the workplace, the Governor of the State of Louisiana issued an Executive Order MJF 97-15 committing the State to work towards a violence free workplace for State employees. Northshore Technical College fully supports this effort.

DEFINED

Acts of Violence -Acts of violence include any physical actions, with or without a dangerous weapon, whether intentional or in reckless disregard, that harms or threatens the safety of another individual in the workplace.

Domestic violence is a major cause of injury to women, although men may also be victims of such violence.

Intentional - Intentional is a state of mind that exists when circumstances are such that a person either actively desires or, in the ordinary course of human experience, must have known, that the consequences of his/her act or failure to act would result from his/her action or inaction.

Dangerous Weapon - For purposes of this PPM, a "dangerous weapon" means any firearm, knife, gas, liquid, or other substance or instrumentality, which, in the manner used, is calculated or likely to produce death or great bodily harm.
