

## Meet Joycelyn Lee, Hammond Main Senator

Greetings to all NTCC Gators,

I am Joycelyn Lee, faculty senator for the Hammond Area Campus. I am a registered pharmacist blessed to be currently serving as the Pharmacy Technician Program Director at this great institution. I am a native of Hammond, Louisiana. After graduating from Hammond High School I attended the University of Wisconsin at Madison and later transferred to Xavier University of Louisiana in New Orleans where I attained a B.S. degree in Pharmacy. I began my career in retail pharmacy as a member of the C.R. Walgreens team in New Orleans, LA. After about 10 years as the pharmacy manager at Walgreens here in Hammond, LA, I was offered employment in a long term care pharmacy setting at Northlake Support and Services center. This pharmacy position was more conducive to my family life because by then I had welcomed two marvelous children into the world. I remained employed at the Northlake Support and Services Center as a Pharmacist 3 for over 20 years. After leaving NLSS center I began serving as the Wellness Manager of the Greenfield Mixon –Clayton Wellness Center and was appointed to serve as a member of the North Oaks Health System’s Board of Commissioners. In the midst of this I was granted the opportunity to continue my educational experience and obtain a Master of Divinity degree in Christian Education from the Union Baptist College and Theological Seminary in New Orleans, La. I am actively serving in various capacities of leadership in my faith community on the district, state and national tiers. I volunteer with several community organizations such as the Blood Center, the American Red Cross, the American Cancer Society, the Healthcare Coalition and the Apotheca. I am a member of the Louisiana Pharmacist Association and the American Society of Health System Pharmacists.

The joy of my life is to make a positive difference in the lives of others. I am dedicated to contributing to the success of the Pharmacy Technician program students as well as any student that I encounter here in the NTCC system. I firmly believe that we live to learn and we learn to live. If we cease learning we cease living. It is indeed a pleasure to have been given the opportunity to serve as a member of the NTCC faculty as well as the NTCC faculty senate. I invite all of the NTCC faculty to come on board and become a part of the great things that this organization will be bringing to our college. Thank you for your support!

## Senate Dues

“I am only one, but I am one. I cannot do everything, but I can do something.” Edward Everett Hale

**There is still time to make a difference by supporting the NTCC faculty senate with your \$25 dues. All information and forms were sent in an earlier email. Thank you to those who have submitted. Together we will make a difference!**

**Questions:  
email [bethalford@northshorecollege.edu](mailto:bethalford@northshorecollege.edu).**
