

October 2016 Edition

FACULTY SENATE POST

Meet the President

Hello, Fellow Gators!

My name is Lizette Louviere Leader, your Faculty Senate President. As a young child, I felt a calling to the educational profession. After completing a Bachelor of Arts Degree in the Teacher Education Program at Southeastern Louisiana University, I served as a teacher in Livingston Parish. Later I completed the Professional Master of Business Administration Program at Louisiana State University and started working in the financial business environment. Educational and business experiences assisted in securing educational leadership positions while completing the Master of Educational Leadership and Administration Program at Nicholls State University. To maintain my commitment to life-long learning, I completed the Doctor of Educational Leadership Program at Southeastern Louisiana University while serving as an educator at the NTCC Connect to Success Program at our Southeastern location. I have been blessed with an extremely supportive family whom I love dearly. My husband, Kent, my children, Kade and Claire, and I live in Whitehall, Louisiana (Maurepas) where we enjoy taking care of cattle, horses, and chickens. We live in a small home that Kent built completely by himself and that my children are so proud of and view as a castle. When we are not enjoying the outdoors in our paradise, you can usually find me volunteering at our Church, the children's schools, or bringing Claire to dancing activities and Kade to his sporting events. Thank you for your dedication to the success of our students and college. Please know that I appreciate your support of the faculty senate. It is an honor and a privilege to serve as your president.

Senate Dues

With the goal to improve teaching and learning opportunities at NTCC, we are beginning fundraising efforts to collect Senate dues. Dues will be \$25 for the year. Your dues will support NTCC faculty and students by funding student scholarships, professional development for faculty including conferences and workshops, Senate sponsored projects and activities in the community and at NTCC, and awards for faculty and student recognition.

This small amount could make a big difference in our school community! Please consider contributing!
Watch for an email sent this month with more details and dues form.

Fun with Faculty

On Thursday, September 22, NTCC Connect to Success art instructor, Kimberly Berkeley, invited Louisiana Wildfowl and Carvers Guild to campus to talk to students about their craft.

Our Faculty Senate Website has posted! Check it out to meet your senators and see what new things we've been discussing and working on for our faculty and students!

Reminders

- Second Start begins October 10th. Remind students that the Payment Deadline for tuition and fees is set for the end of this week, Friday, October 7th.
- Our Spring 2017 Commencement has officially been moved to Monday, May 22, 2017 at 6:00 pm at the Southeastern University Center in Hammond. The move to an evening commencement ceremony will be a fantastic benefit to our students and their families. We're looking forward to a great turnout this year!

Next Meeting

Join us for our next Faculty Senate Meeting on Thursday, October 13th at 2:30 pm. The meeting will be held on SLU North Campus (Room 233) and also virtually on Google Hangout. ALL Faculty are invited to attend!
