Non-Traditional Credit

**NOTE:** To qualify for a credential, an NTCC student must meet the specific program requirements outlined in the curriculum in effect when the student enrolls, withdraws/re-enters after a regular semester break in enrollment, or changes majors. NTCC Policy limits the number of non-traditional credits that can be applied to a credential:

- A student may use a maximum of 30 non-traditional credit hours toward an associate degree, Technical Diploma, and a maximum of 12 non-traditional credit hours toward a Certificate of Technical Studies.

**Directions:** Provide all information below. Refer to NTCC Policy IS171 for Non-Traditional Credit Options. Upon approval by the Vice Chancellor for Student Learning, the original will be routed to campus Records and Registration office for grade entry into the database, for filing, and for future use in the graduation audit process.

Non-Traditional Credit Data: Attach documentation used to support the Non Traditional Credit Option used.
