Recommendation: The staff recommends that the Board accept for approval the revisions for Policy #6.018, Outside Employment of LCTCS Employees. Approval of this revision by the LCTCS Board is contingent upon subsequent approval of both the Board of Regents and the Board of Ethics.

Background: The policy revision recommended for approval is a technical correction to clarify the intent of the previous policy wording, to require employees to report outside employment on an annual basis.

Fiscal Impact: N/A

History of Prior Actions: The previous revision of the system policy on Outside Employment of LCTCS Employees was approved by the Board in April of 2005. The last revision aligned our system policy with LA R.S. 42:1123 (9)(b) to allow for an exception for faculty and staff of higher education institutions to encompass “the performance of services for compensation by faculty or staff members of a public higher education institution, provided the services consist of consulting related to the academic discipline or expertise of said public employee” and where the activity is designed to increase the opportunity for the State’s workforce to succeed through innovative skills training within that faculty or staff member’s academic discipline. This allowed for activities that further the economic development of the state and provided standard forms for disclosure of outside employment.

I. **Declaration of Policy: Definitions**

The LCTCS recognizes that certain outside employment activities are of benefit to the System, to LCTCS institutions, to the State of Louisiana and to the private sector as well as to individual employees. Although the LCTCS recognizes a right of employees to engage in outside employment, it has established policies and procedures requiring that such outside employment be disclosed and submitted for administrative review and approval **on an annual basis, as applicable.**

A. All full-time employees of the LCTCS including faculty, other academic, unclassified and classified employees, are required to abide by this policy at all times, including during regular and summer term and while on paid or unpaid leave.

B. Outside employment is defined as any non-LCTCS activity for which economic benefit is received, including but not limited to:

1. employment with any non-LCTCS employer;
2. contracts to provide consulting, personal or professional services to non-LCTCS employer;
3. Self-employment or operation of business.

C. Economic benefits include cash payments or such other non-cash economic benefit, e.g., share of profits, shares of stock, equity participation, etc. as the employee and outside employer may agree; provided that such non-cash economic benefit shall not have a present value significantly in excess of fair compensation for the services rendered. Compensation rates for outside employment need not be related to LCTCS salary rates but should be negotiated fairly based on normal private sector levels for similar services.

D. Outside employment shall be performed only outside of assigned working hours or responsibilities or during a period of paid or unpaid leave.
During paid sabbatical, special or educational leave, outside activities may be permitted only in exceptional circumstances.

E. Outside employment shall not conflict, delay or in any manner interfere with instructional, scholarly and/or other services which the employee is obligated to render to the LCTCS and/or an LCTCS institution.

II. Outside Employment that will be considered for Approval

The following types of outside employment will be considered for approval.

A. General consulting, other outside employment or business activities.

B. Serving as an expert witness in an area based upon the employee’s training and experience.

C. Consulting by faculty and staff members of the LCTCS where the consulting services are related to the academic discipline or expertise of the faculty or staff member, as outlined in La. R.S. 42:1123 (9)(b).

Generally, LCTCS faculty and staff members will not be approved for consulting agreements that require the faculty or staff member to participate directly in the supervision of activity where the outside employer currently does business with the LCTCS or an LCTCS institution; however, the proposed employment will be considered for approval where the activity is designed to increase the opportunity for the State’s workforce to succeed through innovative skills training within that faculty or staff member’s academic discipline, the activity will further the economic development of the State; and the activity can not be otherwise achieved through contract with the LCTCS under established policies and procedures.

III. Outside Employment that will Not be Approved

A. An LCTCS employee may not receive compensation to assist in the passage or defeat of legislation during the fiscal year in which the legislation is pending in the legislature, except from the Louisiana Legislature or any department, institute or agency within the legislative branch.

B. Blanket approvals for outside employment will not be granted.

C. Employment or contractual relationships that are considered to be a violation of the Louisiana Code of Governmental Ethics will not be approved.
IV. Employee Responsibilities

Full-time employees contemplating outside employment or engaged in outside employment, on the effective date of this Policy, shall:

A. Disclose, on an annual basis, outside employment in accordance with the policies and procedures established herein.

B. Submit a list of all contracts or other agreements between the LCTCS and the outside employer in which the employee is involved on behalf of the LCTCS and/or an LCTCS institution. Such list is to include, to the extent the information is known to the employee, the owners, directors, majority shareholders, or affiliates of the outside employer. Additional information about such contracts may be required by the LCTCS and/or the affected LCTCS institution.

C. Provide notification to the outside employer that he/she accepts such employment as an individual and not, in any manner, as a representative of the LCTCS and/or an LCTCS institution. It is recommended that employees do this by including with any oral testimony or written reports a statement to the effect that the views expressed are those of the employee and do not necessarily reflect the views of the LCTCS and/or the LCTCS institution. In no case may the individual concerned use the name of the LCTCS and/or the affected LCTCS institution or his/her LCTCS affiliation, title or address officially or in any other way in support of any position he/she may take. Biographical data, including a statement of employment by the Board of Supervisors of LCTCS may be included as introductory material to written reports or orally in the case of expert witness statements, but may not be incorporated into the body of the written report.

D. Comply with any other provisions of this Policy.

V. Approval Levels

Certain types of outside employment require annual approval of a chancellor and/or the President as follows:

b. Outside employment involving teaching that will result in LCTCS institution credit for the students, which will be conducted on LCTCS time or which will utilize LCTCS property or services.

c. Outside employment that ordinarily would be performed as part of the public service aspect of the LCTCS and/or an LCTCS institution insofar as that employee's job duties and responsibilities are concerned.

f. Outside employment activity for an individual or entity that has substantial economic interests which may be materially affected by the way in which the employee performs his or her duties and responsibilities as an LCTCS employee.

2. If such proposed outside employment is with a third party that is contracting with or is seeking to contract with the LCTCS and/or an affected LCTCS institution, the faculty or staff member shall remove himself or herself from any relationship in which he or she would:

a. Approve payments by the LCTCS and/or an LCTCS institution to the third party pursuant to any contract between the LCTCS and/or the LCTCS institution and the third party.

b. Specific employment or consulting activities.

c. Duration of employment agreement.

d. Estimated time in hours per week or days per month required for the employment.

g. Statement that the use of the LCTCS and/or the LCTCS institution’s name in connection with the employment activities shall be only
4. The outside entity and the employee shall negotiate and draft an agreement meeting all of the requirements herein. If the contract involves trade secrets and commercial or financial information obtained from the outside employer such information may be removed from the agreement before its submission for administrative review.

5. For such agreements, a Chancellor must certify to the following prior to the execution of any contract approved pursuant to this policy:

   a. The outside employment activities are not within the employee’s duties and responsibilities to the LCTCS and/or the affected LCTCS institution for which the employee is being compensated by the LCTCS and/or the affected LCTCS institution.

   b. The outside employment activities do not conflict, delay or in any manner interfere with instructional, scholarly and/or other services that the employee is obligated to perform for the LCTCS and/or the affected LCTCS institution.

   c. The consulting activities to be performed are within the academic or professional discipline of the employee or are related to the area of expertise in which the employee is employed by the LCTCS and/or the affected LCTCS institution.

   1. Outside employment involving public policy.
2. Outside employment of a Chancellor.

3. Outside employment or contracts by employees for professional, personal, consulting and social services with a department, commission, council, board, office, bureau, committee, institution, agency, government, corporation, or any other establishment of the Executive Branch of the State of Louisiana.

D. Joint Appointments. If the outside employment involves employees from more than one department or campus, or if it involves an employee holding joint appointments, action by the appropriate administrative officers of the affected campuses is required.

VI. Use of LCTCS Equipment, Materials and Services

The appropriate campus administrators, including chairs, directors, deans and vice chancellors, are responsible for determining the circumstances under which LCTCS and/or LCTCS institutions personnel, laboratories, services and equipment may be used in connection with outside employment of LCTCS employees. When LCTCS owned facilities, equipment or other resources are needed or required for any reason, a contract between the LCTCS and/or the affected LCTCS institution and the private third party may be executed separately. Compensation to the LCTCS and/or the affected LCTCS institution must be paid at the fair market rate or, if different, at the same rate that such services, facilities, equipment or technology would be available to any qualified non LCTCS user.

VII. Procedures

The attached written procedures and approval forms, necessary to provide for compliance with this policy, shall be completed by the requesting faculty or staff members and submitted such to the Chancellor or President for review and approval.

VIII. Reporting Requirements

An employee is required to report outside employment, as applicable under the policy, on an annual basis. Annually, the Chancellor shall prepare an information report listing all outside employment approved by the Chancellor and currently in force under this policy and any other details which may be requested. Copies of this report shall be sent to the President of the System and to the Board of Supervisors.
IX. Code of Ethics Requirement

Violation of this policy may result in a violation of the Ethics Code and penalties applicable thereto and/or appropriate sanctions by the LCTCS. All employees, both full-time and part-time, are reminded that they are subject to the Ethics Code.
