In-State $984.40
Out-of-State $1,574.80
GENERAL FACTS

☐ LTC Region 9 recently completed the first regional reaffirmation of accreditation by the Council on Occupational Education (COE). The region received three commendations, including the self study, the corporate partnership with Toyota Motors, Inc., and hospitality.

☐ The Process Technology program at the LTC-Ascension Campus is nationally recognized through the Gulf Coast Process Technology Alliance (GCPTA), an industry driven partnership among education, industry, government, and communities working together to develop a skilled technical workforce needed for the future of the process industries.

☐ LTC-Florida Parishes Campus, the Louisiana state grantee for the Federal Mine Safety and Health Administration (MSHA) program to train Louisiana miners in mine safety, has trained 1400 miners since 2005-06 in 46/48 parts which include a 24-hour course for newly hired/newly experienced miners, as well as an 8-hour refresher class for experienced miners.

☐ LTC-Hammond Area Campus exceeded its goals with the Shell Oil Incumbent Worker grant by training 864 employees over a two-year period — before and after Katrina.
