Northshore Technical Community College permits students who have not attended college for a two year period the opportunity to apply for academic amnesty. The application must be submitted to Student Affairs prior to the 14th day of the semester for fall and spring semesters and prior to the 7th day of the semester for the summer semester. The student is still required to furnish transcripts from each college previously attended.

**Warning**: Academic Amnesty applies only to Northshore Technical Community College. When a student transfers to another institution of high education, that institution may use all college work in the calculation of the grade point average. Academic Amnesty does not exempt a student from the college financial aid policies. Grades earned in programs such as Nursing in which there is a limit in the number of times a course can be repeated, may not be eligible for Academic Amnesty. Students should consult with their Divisional Dean at the time of application.

**To the Registrar:**

I do hereby request that I be granted academic amnesty for my college work at:
